

LOCAL BREVITIES.

The A. O. U. W. order meets tonight at the lodge hall in the Monihan block.

The Valley Bank shipped on Monday a carload of ore from the Tip Top mine to El Paso.

H. E. Kemp & Co. yesterday received a carload of fence wire and shipped two carloads of hay to California.

J. Y. T. Smith shipped two carloads of hay to California yesterday, and will ship two cars of barley to Wilcox today.

Cars cannot be had fast enough to accommodate the demand in Phoenix for hay and barley from the different sections of Arizona and California.

The Mesa City fruit store has been moved from its old stand to the quarters formerly occupied by Clapp's meat market. They have a very neat store.

The Electric Light Company had the tops of the cotton wood trees on Center street, between Adams and Monroe, cut off so that their wires could be stretched along that street.

A burglar broke into H. E. Kemp & Co.'s establishment through the back door last night. After scattering the money drawers around over the floor he helped himself to a six-shooter out of the showcase and left. As far as could be found nothing else was taken.

A man by the name of James Bell, yesterday fell down the stairs of the city prison and was quite severely hurt. He called to see some one in the jail and in going down the stairs missed his footing and fell to the bottom. Marshal Blankenship had him removed to the hospital.

PERSONAL.

C. F. Kerns, of Prescott, is at the Lemon Hotel.

John S. Armstrong and wife, of Tempe, came up on the train yesterday. Mrs. Hill and daughter, Mrs. Curt Miller, of Tempe, visited the city yesterday.

C. C. Hall, the popular merchandise broker of Albuquerque, N. M., is in the city.

J. W. Loomis, representing the King Publishing Company, of San Francisco, is in the city.

A. J. Peters, representative of the Hayden Milling Company, of Tempe, was in the city yesterday.

Charles N. Quigley, South Bond, Ind., C. C. Hall, Albuquerque, O. H. Berry and wife, San Bernardino, registered yesterday at the Commercial.

J. H. and F. M. Alexander, father and son, cattlemen from Stoddard, were down yesterday purchasing supplies. J. H. Alexander is one of the pioneers, Arizonians expressed, a Hassayamper.

J. S. Sparks, who has been telegraph operator at the Phoenix & Maricopa Railroad depot, left this morning to re-join G. H. McNary as night operator at Maricopa Station; McNary will relieve Charles Mann, the day operator, and Mann will go to Tucson.

Dangerous Surgical Operation.

An ovariotomy operation was performed Monday at the hospital on a Mexican woman about 40 years of age by Dr. Hughes, assisted by Drs. Stearns, Rossom and Toney. The tumor was of the cystic variety and is an operation that is considered by the profession as one of the most delicate and dangerous of surgery.

The patient was doing well yesterday, and the doctors have hopes of her recovery.

The Reno Mountain Road.

David Sanders came down yesterday from Tonto with a pack train of forty burros. They will load with supplies and return today. The road they come over is one of the nearest to impassable roads in the Territory, and Mr. Sanders suggested that as a big trade could be had in that section of the country, and as the matter of road improvements was receiving attention, it would be a good idea to call attention to the needs of that locality.

PHOENIX PUBLIC SCHOOLS.

Standing of the Different Grades for the Past School Month.

The public schools of Phoenix have added largely to their enrollment, as will be seen by consulting the following monthly report, compiled by Superintendent Long. There will be no school on Friday of this week, on account of the Teachers' institute and the semi-annual holidays' vacation. The classes will reassemble the first Monday after Christmas.
